## The Exposition

The Mind's Yelle and Walkerstein

The Walerstein:

Lucretia Pickering praying in the dark with Susan Langer and Mileva Marić.

The Mind's Yelle:

If your eyes are closed in the complete darkness, and if one hand is energy precipitant to the other, is your mind perceiving your hands touching in physical space, energy stimuli, or thought metaphysical space without sight validation?

The Body's ingratiating evocative precipitant effectual mind prospective.
